Rubber Washer for M8 to M12 Washers

Our Rubber Washers designed for M8 to M12 washers provide reliable sealing and cushioning in fastening applications. Crafted with precision and attention to detail, these washers ensure a secure and tight fit, preventing loosening and damage to components. Moreover, quality and price are well managed before making it delivered.

Washers Features:

- **Custom Fit:** Engineered to fit M8 to M12 washers perfectly, our rubber washers provide a snug and secure fit, reducing the risk of slippage or misalignment.
- **Excellent Sealing:** The resilient rubber material creates a dependable seal, preventing leaks and maintaining pressure integrity in assemblies and connections.
- **Shock Absorption:** With excellent shock-absorbing properties, our rubber washers help minimize impact and vibration, reducing the risk of damage to sensitive components.
- **High-Quality Material:** Manufactured from high-grade rubber, our washers offer exceptional durability, resistance to wear and tear, and long-term reliability in demanding environments.

Product Details:

Surface Finish	Painted
Size	Standard
Made from	Rubber
